Weekend on Wheels is back for 2007 with an updated format that's a flashback to TCBC's past!

This year, join us for old-fashioned fun as we once again host a WOW of old: No big rest stops, just great riding in a fantastic location! The Twin Ports on the Superior Shores are a much-visited area, with outstanding scenery, excellent roads and trails, and a desirable August climate -- the average high is 74 degrees!

**Saturday Routes
35 miles -- 65 miles -- 100 miles**

**Sunday Routes
30 miles -- 65 miles**

Your low \$5 ride fee brings you:

- * Route scouting to find the best routes in the Duluth & Superior areas
- * Ride support by TCBC leaders at multiple paces for each route
